Dear Ronald,

Thank you for your interest in submitting a Budget Request Application from our local United Way for 2008 funding.

We have just received our final reports from all areas of our campaign, including designations from other United Ways, and have reached only 87% of our 2007 goal. Our member agencies have been informed of our 13% shortfall and their reduced funding for 2007.

I have met with the Executive Board and reviewed our 2007 campaign results and at this time they feel we can't accept additional requests for 2008 from non-members agencies. They have requested me to inform you to call at the end of March 2008 and request a Budget Request Application for 2009. A committee will review the applications and schedule a meeting, if needed, for additional questions and information.

If you have any questions, please let me know.

Thank you,

Molly R. Parker  
Executive Director
