 TAX TYPE: SALES & USE REGISTRATION

This letter is an acknowledgment that you are now registered with the Department of Revenue for payment of the Sales and Use Tax. The Department has assigned an Account ID to you for this purpose and has issued you a Merchant's Certificate of Registration. Your Account ID is listed at the top of the block of information set out above and to the right. Your Certificate of Registration is attached below. Your business class is listed on the certificate. The Certificate of Registration allows you to issue a Certificate of Resale to obtain property for resale without paying the sales tax. Include your business class and Account ID on any Certificate of Resale you issue.

You will soon receive preprinted forms to use in paying the Sales and Use Tax. Two blank forms are enclosed for you to use in case you do not receive your preprinted forms before you need to file a tax return. You must file a tax return for each filing period in which you are engaged in business, even if you owe no tax for that period. If you owe no tax for a period, enter zero (0.00) on the Total Due line on the return.

General information for newly registered taxpayers is enclosed. If you have questions or need help in filing a return, you may call the Department in Raleigh at (919) 733-3661 or at the number for your local revenue office listed in the local telephone directory. You may also write to Taxpayer Assistance at the Department's address at the top of this letter.

This license should be detached and posted conspicuously at the place of business for which it was obtained.
