Dear Mr. Still:

Thank you for assisting with my Girl Scout project by donating more than 700 books. The project is to earn my Girl Scout Bronze Award. I must complete fifteen hours of community service to earn this award. I collected books for my school, East Clayton Elementary, to give to teachers in the grades, Kindergarten through fifth.

I appreciate your generous donation on Saturday, January 27, 2007, when the Basic Needs Ministry donated seven hundred books for my project. Again, thank you for your help with my project.

Sincerely,

A handwritten signature in cursive script that reads "Ciera Cipriani".
